Re: Application by North American InTeleCom for authorization to provide Alternative Operator Services, Docket No. ~~U-3017-96-203~~ T-03017 A-96-0203

Dear Ms. Al-Atar:

On April 1, 1996 the Arizona Corporation Commission established Docket No. U-3017-96-203 to review North American InTeleCom's application for authorization to conduct business as an Alternative Operator Service (AOS) in Arizona. To date, this agency has not received sufficient information to finalize the review of your application.

Unless this office is provided written notice within thirty (30) days from date of this letter of North American InTeleCom's intention to provide AOS in Arizona and all required information to complete the review process, we will administratively close the above named docket. Such closure will have no adverse impact on any other certificate or pending application.

Sincerely,

Jim Fisher
Executive Consultant
Utilities Division
